

INDEX - VOLUME XXIII - 1969

ARTICLE INDEX ACCORDING TO AUTHORS

Allard, Irene

- A Study of the Influence of Occupational Therapy Upon the Perceptual Inaccuracies of the SchizophrenicNo. 2:115

Anderson, Reba; Barford, Fran S.

- A Practicum Experience for Undergraduate Occupational Therapy StudentsNo. 2:137

Ayres, A. Jean

- Relation between Gesell Development Quotients and Later Perceptual-Motor PerformanceNo. 1:11

Bailey, John P., Jr.; Jantzen, Alice C.; Duntzman, George H.

- Relative Effectiveness of Personality, Achievement and Interest Measures in the Prediction of a Performance CriterionNo. 1:27

Barber, Lois M.; Nickel, Vernon L.

- Carbon Dioxide-Powered Arm and Hand DevicesNo. 3:215

Barker, Philip; Muir, Averil M.

- The Role of Occupational Therapy in a Children's Inpatient Psychiatric UnitNo. 5:431

Brand, Paul W.; Ebner, James D.

- A Pain Substitute: Pressure Assessment in the Insensitive LimbNo. 6:479

Bryce, Theodora E.

- A Home Economist on the Rehabilitation TeamNo. 3:258

Carr, Shirley H.

- Documentation of ServicesNo. 4:335

Carthum, Caroline Julich; Clawson, D. Kay; Decker, John L.

- Functional Assessment of the Rheumatoid HandNo. 2:122

Currie, Catherine

- Evaluating Function of Mentally Retarded Children Through the Use of Toys and Play ActivitiesNo. 1:35

Day, John W.; Madden, Mary V.;

Payne, Woodrow W.

- A Technique for Fabricating and Fitting a Pre-Prosthetic Training Arm ...No. 5:422

Ellsworth, Paul D.; Colman, Arthur D.

- The Application of Operant Conditioning Principles to Work Group ExperienceNo. 6:495

Fidler, Gail S.

- The Task-Oriented Group as a Context for TreatmentNo. 1:43

Florey, Linda L.

- Intrinsic Motivation: The Dynamics of Occupational Therapy Theory ...No. 4:319

Goble, Rita E. A.

- The Role of the Occupational Therapist in Disabled Living ResearchNo. 2:145

Harris, Fredric A.

- Control of Gamma Efferents Through the Reticular Activating SystemNo. 5:397

Jantzen, Alice C.

- Definitions of Mental Health and Mental IllnessNo. 3:249

Line, Jennifer

- Case Method as a Scientific Form of Clinical ThinkingNo. 4:308

Llorens, Lela A., et al

- The Effects of a Cognitive-Perceptual-Motor Training Approach on Children with Behavior Maladjustment ...No. 6:502

Martin, Harold P., et al

- Assessment of Perceptual DevelopmentNo. 5:387

The American Journal of Occupational Therapy
